SIR

Subject:- Electrification of Closepet Town

With reference to your letter No.29915 dated the 11th March 1928, I am directed to return herewith, duly sanctioned by Government, the estimate for Rs 50,858 received with your letter No.29915 dated the 11th March 1928 in connection with the above, subject to the condition that the Municipal Council of Closepet Town guarantee a return of five per cent from the first start of supply instead of three per cent for the first three years and thereafter five per cent as now offered by that body Works should not be commenced till the guarantee of 5% is settled.

2. Sanction is also accorded to the application to the Closepet Town of the rules and regulations which may from time to time ---- govern the supply of electric power for lighting and power purposes in the Cities of Bangalore, Mysore and Kolar Gold Fields, etc.

3 The Capital Cost on account of the above may kindly be met by reappropriation of funds sanctioned for the Electrical Department for next year. Government however hope that it will be possible to utilise the materials in stock for the transmission line and the distributing system as the cash outlay is to be limited to the minimum

4 I am further to add that the cost of establishment maintained during

during the construction stage should be debited to capital

I have the honour to be,
Sir,
Your most obedient
